### MEALS IN THE PARK OFFICIAL RULES

1. All meals will be held at City Park in the picnic area #2, unless announced.
2. Each team will be **reimbursed up to \$250** for the cost of the meal. Any cost overages will be the responsibility of the team members.
3. First name on the team list is the Team Captain. The Team Captain is responsible for submitting all receipts (up to \$250) to the club treasurer for reimbursement. **All receipts must be submitted to treasurer no later than the Wednesday following your park meal. Miss the deadline, you miss getting reimbursed. NO EXCEPTIONS!!!**
4. All meals will be scored on the followings areas and point ranges of 0 to 25; 25 being highest scores:

Quality	0 – 25
Quantity	0 – 25
Theme and menu	0 – 5

Catered meals **are allowed** and will be **reimbursed the actual cost up to \$250**.

A catered meal is a meal where the **main course** has been prepared by a restaurant or other food establishment and brought to the park ready to serve. Example: pulled bbq pork prepared by Nordy's and brought to the park.

5. Each team member of the team chosen by ballot as the winning team will share a \$250 monetary prize.
6. Teams/team members may swap dates/teams. Inform your team captain of the change.
7. Meals will be held regardless of inclement weather unless the meeting is changed by Presidential Decree.
8. **KEEP IT SIMPLE!!** Some of the highest scoring meals last year were simple. The key is **quantity** and if the dish is supposed to be hot, **make sure it is hot (The Classic Brian Johnson Green Bean Casserole Rule)**.
